Dear Customer

Dear Customer,

Welcome to the second quarter issue of the *Heritage World Numismatic Journal*. Our first issue was a real success, with collectors, dealers and even other journalists acknowledging their approval. Good things only get better so you will find 28 pages of exciting world coins at collectable prices in this issue. Listed below are a few of the personalized services Heritage can offer you as a customer.

- We pay postage on your orders, except to overseas buyers.
- We offer a \$50.00 off coupon for use on all orders over \$500.00 (except gold bullion related coins).
- You can order 24 hours a day with our toll free wats number, 800-US COINS (872-6467).
- We have full time personel overseas in Germany, Paris, and Switzerland to assist in locating those hard to find coins or bid in European auctions.
- Heritage Numismatic Auctions are second to none in quality of catalogs, circulation and selection. If you want to get the most for your valuable coins our auction service is the way to go.
- We offer excellent terms on large purchases and accept American Express, VISA, or MasterCard for all purchases except bullion gold.
- We maintain a complete computerized want list service. Let us work for you.

We started our World Coin Division last year with the addition of Louis Collins as manager. As a member of P.N.G. and other leading organizations for over 20 years, Mr. Collins is a well known figure in the international coin business. Recently DuWayne Perry has been added to our marketing staff. For over 14 years Mr. Perry has been involved in the foreign coin business and is a familiary face at all major coin shows. Please feel free to call Louis Collins or DuWayne Perry for your numismatic needs.

Our second *Heritage World Numismatic Journal* contains the largest offering to date of exciting purchases from Europe and elsewhere. Also included for the first time are over 170 popular world gold coins. Space does not permit us to photograph every coin so we urge you to consider each lot carefully since many are seldom offered.

Thank you for your consideration and happy hunting.

Sincerely,

Louis H. Collins
